Ultimate shaving experience

with GyroFlex 3D system

Our most advanced shave yet, the Philips SensioTouch 3D RQ1286CC shaver gives you the ultimate shaving experience. The GyroFlex 3D system follows every contour of your face and the UltraTrack heads shave every hair in just a few strokes.

Follows the unique contours of your face

- Philips GyroFlex 3D system adjusts seamlessly to every curve

An electric shaver which takes care of your skin

- Aquatec seal for comfortable dry & refreshing wet shaves
- Smooth, low-friction SkinGlide to minimize irritation

Sensationally smooth shave

- UltraTrack heads catch every hair with just a few strokes
- Super Lift & Cut Action

Shave with perfect control and precision

- Easy grip handle with ergonomic grip for close control
- Skin friendly precision trimmer
- click-on Beard Styler with 5 length settings

A brand new shave every day

- Jet Clean+ system cleans, lubricates and charges the shaver

PHILIPS

Highlights

Jet Clean+ system

Our Jet Clean+ System cleans and lubricates the blades and recharges the battery after every use. It offers 3 cleaning settings: automatic for normal usage, eco for 40% less energy usage, and intensive for extra-thorough cleaning.

GyroFlex 3D Shaver

GyroFlex 3D contour-following heads of the shaver adjust seamlessly to every curve of your face, minimizing pressure and irritation on your skin.

UltraTrack Shaver Heads

Get a close shave that minimizes skin irritation. The shaving head has 3 specialized tracks: slots for normal hair; channels for long or flat laying

hair; and holes for the shortest stubble on your face.

Super Lift & Cut Action

The dual blade system built into the Philips electric shaver lifts hairs to cut comfortably below skin level for a closer shave.

SkinGlide

The low-friction SkinGlide shaving surface of the electric shaver slides smoothly along your skin for a close easy shave.

Aquatec

The Aquatec wet & dry seal of the electric shaver lets you choose how you prefer to shave. You can get a comfortable dry shave or a refreshing wet shave using a shaving gel or foam for extra skin comfort.

Easy grip

The easy grip shaver handle has an ergonomic grip with anti-slip coating, ensuring close control for an extra precision shave.

Precision trimmer

The unique skin friendly precision trimmer system is built to avoid unnecessary skin contact. Easy to use for perfect moustache and sideburn trimming.
